

AN AUTOMATED, CHLORINE-FREE WATER TREATMENT SYSTEM

- No More Chlorine!
- No More Salt!

Saving you time and money.

PureMagic chlorine-free automated water treatment systems are a real winner. Our complete line of state-of-the-art electronic oxidizers, sanitizers and pH control systems will eliminate or reduce your daily use of chlorine, bromine, acids, salt and other dangerous chemicals, and extend the life of your pool equipment. PureMagic gives you clean, clear water and a low-maintenance pool or spa for years to come.

All PureMagic systems come with complete instructions and the best warranty in the industry.

Once you experience a PureMagic pool or spa, you won't use anything else.

PureMagic fully automated pool controller

Just Imagine...

Now you can reduce or eliminate: burning or itchy eyes, algae problems, dried out skin, faded swim suits, green hair, bad odors, excessive mineral deposits, frequent trips to the pool supply store, wear and tear on pool equipment, and best of all:

No more health hazards or money wasted.

For the cleanest, purest water quality for your swimming pool or spa, go with PureMagic... the most complete system on the market today!
